SAF West Fabrication Classes are held on Thursdays from 9 am to 3 pm. Our address is 4356 Caterpillar Rd., Redding CA 96003. The first part of the class is an informative classroom setting. Attendees gain knowledge of the rainscreen principles- Drained, back-ventilated and pressure equalized. Our next session is hands on; an assembly of panels in our fabrication department. SAF provides morning snacks, and an off-site lunch.

Redding is serviced by RDD and SMF airports.

We are 2.5 hours north of SMF, 3 hours west of Reno, and 3 hours east of Oakland.

Marriott Fairfield (530) 244-3200 and Best Western Plus (530) 241-5500 are both within minutes from our facility.

Attendees will be provided safety glasses and hard hats (or bring your own).
