Ornamental Downspouts: These rolled formed downspouts are manufactured out of light gauge materials in 4 sizes at a length of 10'. Sections and elbows are joined together by using pipe crimps and sliding the sections together a minimum of 1".

Ornamental Downspout Elbows: Elbows are rolled formed from light gauge material at a standard 75 degree with custom angles available. Offset Elbows are also available with a standard 75 degree angles. Required offset must be reported.

(3" is not available in 0.050 aluminum)
