3" x 6" <input type="checkbox"/>	6" x 6" <input type="checkbox"/>	Custom <input type="checkbox"/>

**Extruded Downspouts:** Our extruded downspouts are manufactured in square, rectangular, and round profiles. Extruded downspouts are 0.125" extruded aluminum. Extruded Downspouts are joined with (field installed) painted aluminum union sleeves.

**Extruded Downspout Elbows:** Standard size is 12" x 12" x 120° for Elbows A & B and 12" x 6" x 120° for Elbow C. Offset Elbows are also available with a standard 12" vertical leg for the upper and lower section. Required offset must be reported. All elbow types are continuously welded.

(Default Selection are **BOLD**)
